

Die Jahreskarte

The annual magazine for orienteers in Germany

Die Jahreskarte is the annual magazine of the german orienteering community, which is published in december just before christmas. Since the first publication in 2023 a constant edition of over 400 copies established, which are read by german orienteers everywhere in Germany and even abroad. More than 160 pages feature 50 articles covering a broad range of topics, from stories about national and international events, training advices to reports about SafeOSport or medical aspects of orienteering.

By placing an advertisement in *Die Jahreskarte* you can advertise your company and your services, while in the same instance supporting our awesome sport in Germany.

We offer a range of options:

Size of Advertisement	Price
DIN A4	350€
DIN A4 (backside cover)	400€
DIN A5	200€
Smaller advertisement of max. size DIN A6	125€

What is orienteering?

Orienteering is an outdoor endurance sport, which consists of navigating to specified spots in an unknown area, while achieving the shortest possible time to complete the course. Orienteering includes Foot-Orienteering, Mountainbike-Orienteering, Ski-Orienteering and the inclusive Precision-Orienteering.
